

YOUTH POWER

ENERGY CAMP

8th graders

Canyon Camp
Hinton, OK

JUNE 1 - 4, 2010

YouthPower Energy Camp is specially designed for eighth graders to help you develop your leadership skills, have summertime fun, and at the same time learn about one of rural America's most important industries – rural electrification.

Eighth graders interested in attending the 2009 YouthPower Energy Camp are invited to write a 100-word essay on

“I support Wind Energy for my electric cooperative because . . .”

OEC will select two students to attend the four-day camp. Essays must be submitted to OEC on or before **Friday, April 2, 2010.**

As one of the outstanding young people selected by OEC to participate in the Oklahoma Association of Electric Cooperative's (OAEC) YouthPower Energy Camp, you'll spend four days enjoying the pleasures of Canyon Camp. And best of all, you'll make friendships that will last a lifetime!

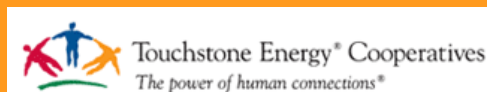

Join us at Canyon Camp, near Hinton, OK and Red Rock Canyon, where you'll experience first-hand the exciting world of rural electricity. You'll have the opportunity to sharpen your leadership skills by working with new found friends from every corner of the state to set up and run your own cooperative business.

Some of YOUTHPower Energy Camp highlights:

- Climb a Utility Pole & Ride a Bucket Truck
- Swimming Parties
- Nature Hikes
- Volleyball Tournaments
- No Brains Olympics Games
- Form & Operate a Co-op
- Campaign for Office
- Tour a Generation & Transmission Plant
- Special SURPRISE Outing!?!

Helpful Wind Power Resources:

See first hand how electricity works!
